Peace of mind with 1st Gas Boiler Cover

Homeowners tend not to think about the importance of their heating system until a problem occurs. Boiler repairs can be costly, between £150.00 for minor repairs and up to £1,000 for more severe problems such as replacing the heat exchanger.

- Boiler Cover customers are given priority when things go wrong
- As a local company we can often attend your break down more quickly than a larger company
- With Boiler Cover in place you will not incur any call out fees

Deciding whether to take out Boiler Cover may depend upon numerous factors. For many people Boiler Cover provides peace of mind in knowing that if something goes wrong they are able to call an engineer without worrying about the cost.
